**Along with very well documented information as to why NO ONE SHOULD TAKE THE "VACCINES" OR BOOSTERS!**

Though that is now dated, and there is much more evidence and proof available now, with official acknowledgement that this was not "misinformation" after all. **But, the CDC is STILL recommending them !** They have added them to the list for children 6 months old or older (!), and it is now expected for them to attend public schools ! Since the shots are now known by all to be ineffective and dangerous, obviously there is another reason for this ! A master copy of the handout designed for this purpose, shown at the [ufp.neocities.org](http://ufp.neocities.org) website, can be sent out to you at no charge for distributing anywhere, mainly wherever they are having clinics to administer these shots to kids.

**AMERICANS DO NOT TRUST AMERICAN ELECTIONS ANYMORE !** According to a Gallup poll, 59% do not trust them: [www.news.gallup.com/poll/285608/faith-elections-relatively-short-supply.aspx](http://www.news.gallup.com/poll/285608/faith-elections-relatively-short-supply.aspx)

A more recent CNN poll found 56% have little or no confidence that American elections reflect the will of the people <https://www.cnn.com/2022/02/10/politics/cnn-poll-democracy/index.html#5555555555>

**EVERYONE should agree that This is Unacceptable ! AMERICAN ELECTIONS MUST BE MADE SECURE BEFORE THE NEXT ONE!**

Even Joe Biden, Kamala Harris, Amy Klobuchar and Many others have agreed, even demonstrated, that **voting machines can be hacked and American elections can be stolen:**

**We The People** Do NOT Want Rising Inflation and Gas Prices ! **We The People** Do NOT Want War ! **We The People** Do NOT Want Criminals in positions of Power in Our Country ! **We The People** Do NOT Want Untold Millions of Foreigners To Continue Flooding Into Our Country With Drug Cartels, Extremely Deadly Drugs, Weapons, Gangs, Terrorists and Criminals ! **We The People** Do NOT Want High and Rising Crime Rates ! **We The People** Do NOT Want Marxism, LGBTQ+ Indoctrination and Pornography Forced On Our School Children ! **We The People** Do NOT Want The FBI Treating Concerned Parents as "Domestic Terrorists" ! But, those who have gained power in these stolen elections have caused ALL of these things and this is what we have now !

It is the **Taxation Without Representation** that our country's forefathers fought against ! **WE THE PEOPLE DID NOT VOTE FOR THIS !!!**

Here is a new 16 minute video showing just the Tip of the Iceberg of found 2020 election fraud that should convince anyone: <https://frankspeech.com/video/unmasked-has-truth-about-2020-election-been-uncovered>

Well, not enough changes were made to prevent the 2022 election from again largely being **stolen**. The problem is that these people, put in place by criminals with **stolen elections, are in control of our elections** now ! (And they are in league with those controlling the "mainstream media" and suppressing and/or naysaying all news on the subject; see alternative news sources for the real story (such as AmericasVoice.news and FrankSpeech.com ). Witness what happened and continues in Arizona. The only way voting those who are bad, uniparty, globalists or communists or compromised or deceived **out of their offices** can work is by making elections **uncheatable** which means **Getting Rid Of All Voting Machines**, using paper ballots with counts done with video recording, complete monitoring of all points in their chain of custody, do all voting in one day with rare exceptions, requiring proof of travel or invalid status for early or absentee/mail-in voting, NO unsolicited mailing out of ballots, No unmanned drop boxes, requiring ID and proof of citizenship and making and keeping voter rolls accurate. Yes this could be done in every county before the 2024 election but needs **HIGH PRIORITY** ! And every county has a process to go through and each county must be persuaded that the public **DEMANDS** this all be done !!! In the past 2+ years now, it was reported that this has been successful to some degree in only about 100 of 3000+ counties in the country. We Need **Large Protests of We The People at Every State Capitol and Every County** to Get the **Secretaries Of State** and **all County Clerks** to **DO THEIR JOBS** ! Make Certain Our Elections Are Secure ! And THROW THEM OUT IF THEY WON'T !

In principle, every county can get the money they paid for voting machines back because they are DEFECTIVE because it has been proved over and over that they can be hacked and evidence shows they HAVE BEEN. But for the criminals in power, making sure that America keeps using vulnerable voting machines is the "ace in their back pocket", their "golden goose", because they know that **ANY election can be Stolen this way** and they are fighting like mad to keep this. There are **criminals inside both parties** and primary elections and even candidate selections are also affected. Yes there are many other problems with our elections that also need to be addressed but **IF MACHINES REMAIN IN USE THAT WILL BE ALL THAT IS NEEDED TO STEAL THEM AGAIN** ! NO ONE should object to eliminating machines and making our elections fair and transparent and easily auditable and restricting voting to truly eligible US Citizen voters. Most European countries have already done this. **ANYONE** who fights getting rid of voting machines here is **suspect** ! And this now includes **Ron DeSantis**, who undeniably has done great things for Florida but is supported by and has aligned himself with corporate voting machine company interests and **AGAINST American Freedom, Leaving DONALD TRUMP as the ONLY Presidential candidate standing For American Freedom and Against Communist/Globalist/Corporate Tyranny and willing to Fight and BREAK THEIR HOLD by Making Our Elections Truly Secure.** This is Very Serious ! Every broadcast/podcast/radio program that is Against having our beloved country Taken Over By Tyranny should be Stressing this Need to **GET RID OF VOTING MACHINES** ! Elections stolen by Voting Machines have resulted in the takeover by communism and totalitarianism of over 50 countries in recent history. **NO COUNTRY HAS SURVIVED WHERE ELECTION MACHINES WERE USED TO STEAL IT !!!!! WITNESS THE RECENT CASE OF BRAZIL** where a **Convicted Felon** Released from Prison "won" over the **Overwhelmingly Popular** Jair Bolsonaro. Second, "Mail-In" Ballots are ILLEGAL and UNCONSTITUTIONAL in **ALL 50 States** ! Their use **should not be allowed At All** ! Only rare "Absentee" ballots are acceptable With proof of Valid Reason.

The **corruption** appears to be **nearly everywhere** and our government has been turned and weaponized against us, the very real threats of impending War and Economic Collapse, planned and sabotage caused Food and Energy Shortages and even possible Civil War, All of these things and All of the Above show how **This Is Beyond Us** ! And **How Desperately We Need Divine Intervention** ! Yes God is Real and **WE NEED HIM** ! Deny it or not, each one of us was born with this knowledge deep inside. And Good and Evil **is what life on earth is all about**; which will each of us choose ? There is a War going on here, between Good and Evil, and the problems our country and the world face are because of this, that many of us have not made the ultimate decision to be on the side of Good, the side of God. Instead of goodness and righteousness and love every one of us has chosen disobedience and, it is sin. God is Infinite, and He is Truth and Goodness and Life and, Love. Infinitely. He created You and He loves You So Much that as the Bible says, He IS Love ! And think of it, One Life, split the entirety of human history into two parts ! It is God's message of His Great Love for You, for Us All, reaching out across all the centuries in such a way that **it cannot be dismissed**. He is the **Great King of the Entire Universe** yet, You have His undivided attention; He knows You, and wants to be your heavenly Father ! This temporary life is a practice, a trial, a test, and in a way like a video game; what does it take to get to the next level ? We wander around, searching for the Way, trying this and that, and experiencing sin enough to know it for what it is, and once in a while a messenger pops up with a hint or a direction, which can be considered or ignored. This is one: The Way to the Next Level is to **leave sin behind**. Decide to BE good. Get on the side of Good. Get on the side of God. Let Him work in You to do what He wants to do, which is to do your part to Save America and Save the World ! Yes God wants to Save America, to free our government and entire system from corruption and evil, to give our country freedom and law and order and peace and prosperity, but His plan is deeper and farther reaching than just that; He wants to Save America by saving, if possible, All Americans ! Yes there is So Much Work to Be Done and We Need To Do It ! But **the Most Important Thing of All** is for Each One Of Us to **Get Right with God** ! And **Pray** !!!
